OVERVIEW

This manual contains lists of codes and code descriptions for:
DIM – the D.A. Intake Management system, used to filed charges against adults, and
JOT – the Juvenile Offender Tracking system, used to file charges against juveniles.

The code tables are listed in the order in which they appear on the data entry options.

These code tables are also available online. On any Model 204 screen, fields with associated code tables are marked with the symbol >.

To use an online code table:

1. Type a ? in a marked field.
2. Press the PF11 key.
3. If there is more than one page of codes, press PF8 to page forward and PF7 to page backwards through the codes.
4. Tab to the blank line beside the correct listing.
5. Type an X to select the listing.
6. Press Enter.
7. The option screen will reappear and the selected code will display.
